- B. **Joint Account** – An account in the name of two or more accountholders. Each of you may exercise any rights with respect to the account, including the right to withdraw funds from the account singly, unless we agree to the contrary. All joint accounts shall be treated as accounts with the right of survivorship which means that when one of the accountholders dies, the surviving accountholder(s) will own the account and will have all the rights with respect to the account.
- C. **Revocable Trust Accounts** – An account which is opened by a trustee for the benefit of another person. Only the trustee can withdraw funds from such an account. In the event of the death of the last trustee on the account, payment may be made to the beneficiary of the account or that person's legal representative.

2. Rules Relating to Funds Deposited in Your Account(s). Any deposit which you make into your account(s) will be treated as having been received on the date of deposit unless it is made after we close. Any deposits we receive after we close, or that are received on a date we are not open will be treated as if received on the next business day that we are open. We will give provisional credit with respect to items deposited to your account(s) and may revoke any provisional credit that we have given if the item is not finally paid. We will give final credit for any cash that is deposited into your account(s). Any item that is payable in foreign currency will be credited to your account(s) at the exchange rate in effect when we receive final payment in United States dollars.

Funds that are deposited into your account(s) will be made available for withdrawal or the payment of checks drawn on your account in accordance with our Funds Availability Policy review your ability to withdraw funds (page 6).

3. Direct Deposits. If you have an agreement with us by which funds may be directly deposited into your account(s), any amount which must be returned to the United States of America, or any agency thereof, for any reason will be automatically deducted from your account(s) or from any other account you may have with us, except to the extent prohibited by law. We may also pursue any other remedy available to us to recover any funds that have been deposited into your account(s) and which we are required to return to the United States of America, or any agency thereof.

4. Right of Set-Off. To the extent permitted by applicable law, we may set-off any funds in your account(s) against any obligation that you owe to us now or in the future. This right of set-off does not apply if (i) your account(s) is an Individual Retirement Account or other tax qualified retirement account, (ii) the identity of the obligor to us and the accountholder are not the same, or (iii) the obligation to us arose in a consumer credit transaction where a credit card was used to create the obligation. You should be aware that if we exercise our right of set-off, there may not be sufficient funds in your account(s) to cover any check that is presented to us after we exercise our right of set-off. We will have no liability for the dishonor of any such check.

5. Fees and Charges. We will provide you with a deposit account fee schedule which may be applied against your account(s). You authorize us to charge your account(s) for these fees and charges as applicable. To the extent that there are insufficient funds in your account(s) to cover such fees and charges, you agree to pay us such fees and charges forthwith. However, the bank shall make available to a natural person 18 years of age or under or 65 years of age or older a demand deposit account and savings account which, in each

instance, shall include a joint account in which the spouse of the eligible depositor, regardless of age, is the joint tenant therein or the joint tenant would otherwise be an eligible depositor, and which has been established and used for personal, family or household purposes, upon which no service, maintenance or other similar charge shall be imposed. If you qualify for this protection, you must notify us in writing of your eligibility for this protection and we will thereafter cease to make certain charges to your account(s). Notwithstanding this protection, we may assess a reasonable charge against your account(s) when we dishonor any item that is presented for payment from your account(s) and which is dishonored because of insufficient funds. Non-sufficient Funds ("NSF") and/or Uncollected Funds ("UCF") fees may be incurred on paid or returned items including checks, ATM/Debit Card transactions, internet banking transactions (i.e. Bill Pay), in-branch or automatic withdrawals, or other electronic means. Maximum of 6 NSF/UCF fees per day. No fees assessed for transactions under \$10.00. An item returned unpaid due to NSF/UCF funds may be presented one time with an NSF/UCF fee being assessed.

6. Withdrawals from Account(s). Unless we have agreed with you otherwise and have indicated our agreement on your account(s) records, each of you, acting singly, may withdraw funds from your account(s) by signing as the maker of any check, signing any withdrawal order, or otherwise as we may permit. Any of you may endorse any item payable to you or your order for deposit into your account(s). You agree not to postdate any check or other order for withdrawal. If you do postdate any item, you agree that we may charge your account(s) for the item even though payment is made before the date on the check. We will not do this if we have received written notice from you with respect to such postdating, which notice must be delivered in time for us to have a reasonable opportunity to act on it and must identify the check by date, number, amount and payee.

We are not obligated to honor any item presented for payment against your account(s) unless there are sufficient available funds to pay such item. If we do pay any such item and, as a result, an overdraft occurs in your account(s), you agree to immediately deposit sufficient funds in your account(s) to eliminate such overdraft.

We may require that you provide us with a notice in writing at least 7 days prior to each withdrawal from any account you have with us that bears interest (other than a time deposit) or from any savings account as defined by Regulation D issued by the Federal Reserve Board. You may be subject to a penalty if you withdraw funds from a time account prior to its maturity or prior to the expiration of any notice period. The existence and amount of any such penalty will be set forth in your truth-in-savings Disclosure Statement.

7. Wire Transfers. If you originate a wire transfer for which FedWire is used, you understand that said transfer is subject to Article 4A of the Uniform Commercial Code. If you originate a fund transfer by wire and you do not properly identify the name of the beneficiary, the beneficiary's account number the beneficiary's financial institution, any intermediary financial institution, or provide any other necessary information, you shall bear the loss (if any) caused by such failure to properly provide the required information. We shall have no liability to you for any such loss even though we could have prevented such loss by confirming the accuracy of the information which you provided.

8. Automated Clearing Houses. If any transaction related to your account(s) utilizes the services of an automated clearing house, you agree to be bound by the rules of such automated clearing house or any association to which it belongs. These rules may provide, among other things, that payments made to you, or originated by you, will be provisional until final settlement is made through a Federal Reserve Bank or payment of the same is otherwise finally made as provided in Article 4A-403(a) of the Uniform Commercial Code. If any amount is credited to your account(s) and we do not receive final payment with respect to the same, we shall be entitled to a refund from you of the amount so credited to your account(s).

9. Stop Payment Orders. You may stop payment on any item that you have drawn against funds in your account(s). We must receive your stop payment order in time for us to have a reasonable opportunity to act upon it. Our cut-off time for stop payment orders is one hour after our opening on the next banking day after the banking day on which we received your check. If you request us to stop payment on an item orally, we request that you confirm your stop payment order in writing within 14 days. Any written stop payment order will only be effective for six months and if you wish to renew the stop payment order at the end of said six months, you must advise us in writing. Any stop payment order must accurately identify the item to which it applies, including any check number, the amount of the check, your account number, the date of the check and the payee of the check. Any stop payment order

received by us will be effective even though it is signed by an accountholder other than the accountholder who initially signed the item to which it applies.

- 10. Use of Restrictive Legends.** We are not obligated to honor any restrictive legend you place on any item you write unless we have agreed in advance in writing to honor such restriction.
- 11. Posting Order for Clearing Checks and Electronic Transactions.** We may pay for items presented on your account in any order which we choose. Typically, we will utilize a specific posting order when processing your external credit and debit transactions to help minimize the number of overdraft fees. The clearing sequence for checks is lowest to highest dollar amount: smallest withdrawals will post first and largest withdrawals last. The clearing sequence for Automated Clearing House (ACH) electronic transactions is largest deposits first followed by smaller deposits, then smaller withdrawals followed by largest withdrawals.
- 12. Telephone Transfers.** If you have a telephone transfer agreement with us, accountholders who are entitled to withdraw funds from your account(s) may authorize a transfer from your account(s) via telephone.
- 13. Periodic Statements. Your duty to report unauthorized signatures, alteration, and forgeries.** If you have a statement account(s), we will deliver to you a statement of your account periodically. You must examine your statement promptly. If you discover or should have discovered any unauthorized withdrawal from funds in your account(s), you must immediately notify us of your discovery and provide us with all information necessary for us to determine whether the withdrawal was unauthorized. To the extent that you do not promptly notify us of any such unauthorized withdrawal, you may be liable for any loss which is thereafter sustained which we could have prevented had you promptly notified us of the unauthorized withdrawal. You agree that you will not have acted promptly if you fail to examine your statement and report any unauthorized withdrawal to us within 30 calendar days of the date that the statement was sent to you or made available for your examination. You agree that if you fail to provide notice to us of any unauthorized signature, alteration, forgery, or other error with respect to your account within 60 days of when we sent you the statement or made it available to you, you will not be able to assert a claim against us with respect to any item(s) reflected in such statement.
- 14. Non-Assignability of Account(s).** You may not transfer or assign your account(s) to any third party without our prior written consent. Any attempted transfer or assignment shall be void with respect to us.
- 15. Credit Reports.** In connection with your account(s), you hereby authorize us to obtain a consumer credit report on you from any credit reporting agency.
- 16. Abandoned Accounts.** If an account has been deemed abandoned under Massachusetts law because there has been no account activity (for example, some form of customer-initiated transaction or communication) for a period of three years, we must turn the funds in the account over to the Commonwealth of Massachusetts. We will attempt to notify you in writing before this takes place. Funds which have been turned over to the Commonwealth can be reclaimed from the Commonwealth, but proof of ownership will be required before payment will be made by the Commonwealth.
- 17. Change of Address.** You agree to notify us in writing of any permanent change of address. Any notice or statement mailed to the last address appearing on our records will be deemed delivered and binding for all purposes.
- 18. Unlawful Use.** You agree not to use any of your accounts, access devices or services for unlawful internet gambling or other illegal activities.
- 19. Overdrafts.** North Brookfield Savings Bank is never obligated to pay any non-sufficient funds ("Insufficient funds fees") items (Overdrafts) presented for payment if your account does not have sufficient collected funds. If, in our sole discretion, we do honor/pay any such Insufficient funds fees/Overdraft items for you, you agree that you are liable for both the principal amount(s) of any such items and our Insufficient funds fees/Overdraft fees. You agree that you have no right to defer payment of any Insufficient funds fees/Overdraft items we may pay for you and that any Insufficient funds fees/Overdraft principal amounts and our Insufficient funds fees/Overdraft fees shall be due and payable immediately or on demand.
- 20. Determining the available balance.** NBSB uses the available balance method to determine whether your account is overdrawn. That is, whether there are enough funds in your account to pay for a transaction. Importantly, your

available balance may not be the same as your account's actual balance. This means an overdraft, or an NSF transaction could occur regardless of your account's actual balance.

Your account's actual balance (sometimes referred to as the ledger balance) only includes transactions that have settled up to that point in time, that is, transactions (deposits and payments/withdrawals) that have actually posted to your account. The actual balance does not include outstanding transactions (such as checks that have yet to clear your account or electronic transactions that have been authorized at time of purchase but are still pending and haven't settled). The balance on your periodic statement is the ledger balance for your account as of the date of the statement.

Your available balance is calculated based on the funds in your account that are available to you to make payments. It takes transactions that have been authorized but not yet settled and subtracts them from the actual balance (i.e., holds placed by gas stations at the pump). Additionally, when calculating your available balance, any holds placed on deposits that have not yet cleared are also subtracted from the actual balance. Your available balance may also include any overdraft options you have established for your account (overdraft protection).

For more information on how holds placed on funds in your account can impact your available balance, read the subsection below titled "A Temporary Debit Authorization Hold".

- 21. A Temporary Debit Authorization Hold.** For debit card purchases, some merchants request a temporary hold on your account for a specific sum of money when the merchant may not know the actual dollar amount of the transaction at the time of authorization (i.e., gas stations, restaurants). The amount of the temporary hold may be more than the actual dollar amount of the settled transaction (purchase). When this does take place, our systems cannot determine that the amount of the hold exceeds the transaction if that takes place. This temporary hold and the actual amount charged will be adjusted to the actual amount at settlement but could take up to three calendar days or longer in some cases before that final adjustment is final and settled. Until that final adjustment happens, the amount of funds in your account available for other transactions to clear will be reduced by the amount of the hold. If another transaction is presented to us for payment in an amount greater than the funds left after the temporary hold, you will be charged an insufficient funds fee according to our Occasional Overdraft Privilege Service Policy. You will be charged the fee even if you would have had sufficient funds in the account if the amount of the hold equaled the purchase amount.

- (d) **Fees Imposed by Others.** When you use an ATM not owned or operated by us, you may be charged a fee by the ATM operator or any network used to complete the transfer and you may be charged a fee for a balance inquiry.

6. Confidentiality. We will disclose information to third parties about your account or the transfers you make:

- (a) Where it is necessary for completing transfers, or
- (b) To verify the existence and condition of your account for a third party, such as a credit bureau or merchant, or

If you call, we require you to put your request in writing and get it to us within 14 days after your call.

- (b) Notice of Varying Amount. If these regular payments may vary in amount, the person you are going to pay will tell you 10 days before each payment when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment, or when the amount would fall outside certain limits that you set.

- (c) Liability for Failure to Stop Payment of Preauthorized Transfer. If you order us to stop one of these payments 3 business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

In Case of Errors or Questions About Your Electronic Transfers*

Telephone us at our telephone number shown on the front of this disclosure during our business hours or write to us at the street address shown on the front of this disclosure as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared to limit your liability.

- (1) Tell us your name and account number (if any).
- (2) Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is an error or why you need more information.

If we decide to do this, we will recredit your account within **10** business days, for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within **10** business days, we may not recredit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to **90** days to investigate your complaint or question. For new accounts, we may take up to **20** business days to credit your account for the amount you think is in error.

We will tell you the results within **3** business days after completing our investigation. If we decide that there was no error, we will send you a written explanation.

You may ask for copies of the documents that we used in our investigation.

*This section pertains to accounts established for personal, family, or household purposes only.

MASTERCARD™ CARDHOLDER AGREEMENT

The following terms and conditions are agreed to by you and us when we issue you a card at your request. To the extent that any of the following terms and conditions are void or unenforceable under applicable law, this Cardholder Agreement shall be treated as if such terms or conditions did not exist and all of the other terms and conditions shall continue in full force and effect.

All the terms set forth in the Initial Disclosure of Terms and Conditions of Electronic Fund Transfer Services are hereby made part of this Cardholder Agreement and shall govern the use of your card.

Any account which may be accessed by use of your card may also be governed by a separate set of rules and regulations which shall remain in effect with respect to such accounts, unless inconsistent with the agreements set forth in this Cardholder Agreement in which case the terms and conditions set forth herein shall control.

1 Use of Card.

You may use your card to carry out the transactions described in the Disclosure Statement under the heading "Transfer Types and Limitations". We may agree with you in the future that other transactions can be carried out using your card and, in such event, we will notify you of those transactions.

You agree not to use your card to effectuate any transaction, which is unlawful under applicable law, such as unlawful gambling.

2. Processing International Transactions.

Purchases, cash withdrawals and cash advances made in foreign currencies will be debited from your account in U.S. dollars. The exchange rate between the transaction currency and the billing currency used for processing international transactions is a rate selected by *Master Card*® from a range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate *Master Card*® itself receives, or the government mandated rate in effect for the applicable central processing date. The exchange rate used on the processing date may differ from the rate that would have been used on the purchase date or cardholder statement posting date.

A foreign transaction is any transaction that you complete or a merchant completes on your card outside of the U.S., Puerto Rico or the U.S. Virgin Islands.

A devaluation of the US dollar against the foreign currency in which the transaction was made will result in a higher-than-expected dollar amount charged to your account. This currency differential, along with any transaction fee for foreign exchange could result in your account becoming overdrawn.

3. Charges for Use of Your Card.

We have published a Service Charges Schedule, which sets forth all applicable charges, which we can make in connection with the use of your card, or any electronic fund transfer. Please refer to our most recently published Service Charges Schedule. We reserve the right to amend the Service Charges Schedule at any time and will give you notice if we do. You agree to pay all such charges which you have incurred and hereby authorize us to charge your deposit account(s) with the aggregate outstanding amount of such charges from time to time.

4. Joint Accounts.

If your deposit account(s) is held jointly with another person(s), each joint holder of said account shall be able to exercise any and all rights hereunder individually and shall be jointly and severally liable for the obligations incurred under this Cardholder Agreement and will be bound by this Cardholder Agreement. Without limiting the foregoing, each person named on the account may utilize their card issued in connection with the account, may close the account, and may agree to amend this Cardholder Agreement and, in any such event, such action shall be binding upon each other person who is bound by this Cardholder Agreement.

5. Evidence of Transactions.

If we institute legal action against you in connection with this account, we may introduce into evidence a copy, microfilm, or microfiche of any document evidencing transaction under this Cardholder Agreement and such copy, microfilm or microfiche shall be deemed as valid as the original document.

6. Notices.

Any notice sent by us shall be effective when mailed to you at your last address on our records. To the extent allowed by law, notices from you to us must be in writing and shall be effective when received by us.

7. Default.

In the event that you default in connection with any obligation owed to us, you agree to reimburse us for all costs of collection, including reasonable attorneys' fees.

8. Maintenance of Accounts.

9. Ownership of Card.

*YOUR ABILITY TO WITHDRAW FUNDS

This policy statement applies to all deposit accounts.

Our policy is to make funds from wire transfers and your cash and check deposits available to you on the next business day after the day we receive your deposit. Electronic direct deposits will be available on next business day after we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

Please remember that even after we have made funds available to you, and you have withdrawn the funds, you are still responsible for checks you deposit that are returned to us unpaid and for any other problems involving your deposit.

DETERMINING THE AVAILABILITY OF A DEPOSIT

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit before closing on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after closing or on a day, we are not open, we will consider that the deposit was made on the next business day we are open.

LONGER DELAYS MAY APPLY

In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. However the first \$275 of your deposits will be available on the next business day after the day of deposit.

If we are not going to make all of the funds from your deposit available on the next business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is not made directly to one of our employees, or if we decide to take this action after you have left the premises, we will mail you the notice by the next business day after we receive your deposit.

If you will need the funds from a deposit right away, you should ask us when the funds will be available.

In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$6725 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- There is an emergency, such as failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new customer, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the next business day after we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$6725 of a day's total deposits of cashier's, certified, teller's, traveler's, and federal, state and local government checks will be available on the next business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$6725 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$6725 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the ninth business day after the day of your deposit.

HOLDS ON OTHER FUNDS

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

DEPOSITS MADE AT AUTOMATED TELLER MACHINES

Deposits (cash or checks) made at automated teller machines (ATMs) we own or operate prior to 8:00 A.M. on a business day that we are open will be treated as deposited that day. Funds from deposits made after 8:00 A.M. or on a day we are not open will be treated as deposited on the next business day we are open.

Deposits are only accepted at machines that we own or operate. All ATMs that we own or operate are identified as our machines.

DEPOSITS MADE BY MOBILE CHECK DEPOSIT

Deposits (checks) made by remote deposit capture through the North Brookfield Savings Bank Mobile Banking app prior to 3:00 P.M. on a business day that we are open will be treated as deposited that day. Funds from deposits made after 3:00 P.M. or on a non-business day will be treated as deposited on the next business day we are open.

CERTIFICATES OF DEPOSIT

Rate Information

Your interest rate and annual percentage yield will remain in effect until the first maturity date. The annual percentage yield disclosed herein assumes that principal and interest remain on deposit. Any withdrawal of funds will reduce earnings. Fees on IRA accounts could also reduce earnings.

For a Rate Bump, your initial rate and annual percentage yield will remain in effect until the first maturity date unless you choose the one-time rate increase option. At which point, the new interest rate and annual percentage yield will be calculated based on the current interest rate offered for the standard term that is equal to or less than the remaining initial term of your account. The one-time rate increase and new annual percentage rate will apply to the remaining initial term

Accrual of Interest on Non-cash Items

Accrual of interest on non-cash items (for example, checks) you deposit will begin on the business day you deposit such non-cash items.

Interest Compounding and Crediting

Certificates with terms of less than 12 months, interest is not compounded, interest is credited monthly on the last business day of the cycle, and at maturity.

Certificates with terms of 12 months or more, interest is compounded daily. Interest is credited monthly on the last business day of the cycle, and at maturity.

If you close your account before interest is credited, you will receive the accrued interest.

Calculation Method

We use the daily balance method to calculate interest on your account. This method applies to a daily periodic rate to the daily balance in the account each day.

Minimum Balance Requirements and Transaction Limitations

The minimum balance requirements for your accounts are disclosed in the Minimum Balance Requirement and Account Rate Information section of this disclosure.

You may not make additional deposits into your account until maturity date.

IRA CD accounts allow additional deposits as long as the rate and term are still offered. You may not make withdrawals of principal from your account before maturity without incurring a penalty as stated below. You may only withdraw interest after it has been credited to your account.

In unusual circumstances we may require a 90-day written notice of intent to withdraw any or all of the funds in this account.

Early Withdrawal Penalty

If you withdraw any principal before the maturity date, a penalty may be imposed on the amount which you withdrew and charged to your account. If your account has an initial maturity of one year or less, the penalty will be equal to 6 months interest, which would have been earned on the amount of principal withdrawn. If your account has an initial maturity of more than one year, the penalty will be equal to 12 months interest, which would have been earned on the amount of principal withdrawn.

No penalty shall be assessed in the event of the death or adjudication of mental incompetence of any owner of the account. We may also allow a withdrawal, in whole or in part, without penalty, with respect to any deposit which is contributed under a Keogh Plan, Individual Retirement Account or other tax qualified plan, where the individual for whose benefit the plan or account is maintained is 59.5 years of age or older or becomes disabled as defined in the Internal Revenue Code.

Renewal Policy

This account will automatically renew at maturity. You can prevent renewal if you withdraw your entire balance at maturity, or within the 10-calendar day grace period. You can prevent renewal if we receive written notice within the 10-calendar day grace period. If you prevent renewal, interest will not accrue after the maturity date.

Unless stated otherwise in our maturity notice to you, each renewal term will be the same as the original term, beginning on the maturity date. The interest rate will be equal to the rate offered on new Certificate of Deposit Accounts on the maturity date, which has the same term, minimum balance requirements and other features in common with the original Certificate of Deposit Account.
